GRADINGS / BELT SYSTEM IN TKD

Before you take part in any grading (testing), you must show your instructor that you have familiarised yourself with the moves you have been taught and further have participated in an adequate number of training sessions to qualify you to grade. Students choosing to train once a week, will not be able to grade on a regular basis. The minimum requirement for colour belt grading's is to attend lessons twice a week between grades.

If you then decide that you would like to take a belt test (grading), then you will need the following:-

- Current T.A.G.B. Licence.
- T.A.G.B. White Dobok.
- TAGB syllabus/theory Book £12.95
- And Grading Fee with your licence to be handed in 2 weeks before the grading date.

All the **grading's** are held in Ellesmere Port (The GROVES Social Club). Master Brian Towndrow **7th Dan**, grading examiner & North Midlands Area co-ordinator & senior members of the T.A.G.B (Tae Kwon-do Association of Great Britain) is our external grading examiner.

As your Instructor, I hope you enjoy all aspects of TaeKwonDo and becoming a member of our club. I look forward to helping you to achieve yours goals.

Kind Regards,
